Aeta Pastor Support Program

Aeta (Ayta, pronounced EYE-ta) are the indigenous people who live in scattered, isolated mountainous parts of Mt Pinatubo, Philippines.

As of this moment, we support 83 Aeta Pastors to be at the front line spreading His gospel to the Aeta villages. Servants of Christ International, Bear Valley Church and Praise Church support the Aeta Pastors Program. These pastors live in the mountain region & only can grow certain foods. There are no monies in their villages.

The 18-hole at Homestead is perhaps Colorado's best-kept secret in the golf world. Homestead creates an accessible bridge between championship style and a shorter overall course length. But, don't let the yardage fool you!

This links-style course, with four sets of tees and two unique 9-hole personalities can create memorable challenges to even the most seasoned golfers. To master this course, you'll need to reach for every club in your bag. The beautifully manicured grounds offer a complete practice facilities, target & putting...
